FERNDALE, MICHIGAN, THURSDAY, DECEMBER 31, 1964

47th Year - No. 9

From the bench to the basket

CHET CHARGES TOMMY TEAM

Getting accustomed to pulling the roving Tommies of Aquinas College out of tight games is steady Chet Murawski, freshman center from Ferndale.

New head basketball coach Richard (Red) Dornbos looks to Chet as a front line replacement this year.

THE FORMER St. James High School star has come off the bench in three games to pace his teammates to victory.

He scored 13 points in the final minutes of play to help the Tommies defeat Michigan Tech in the consolation game of the Northern Michigan University Classic tournament.

Chet has the ability and desire to become one of the greatest athletes in the history of the Grand Rapids educational college, Dornbos feels.

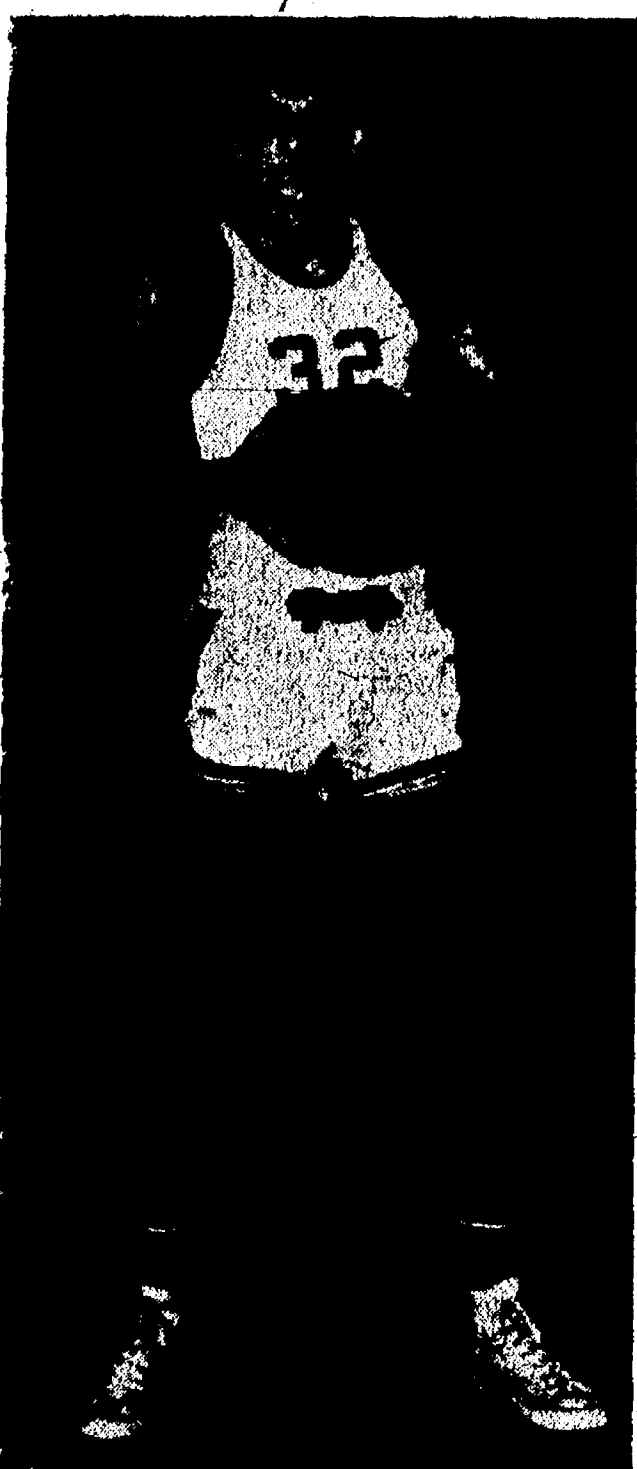

The head coach adds: "Much of his talent is accentuated by good conditioning and the desire to compete. He has earned the respect of his teammates through good sportsmanship and outstanding basketball judgment."

THE SON of Mr. and Mrs. Chester T. Murawski of 458 Channing, he earned honors in two sports at St. James.

Averaging 20.5 points per game, Chet was selected for All-League and All-State honorable mention in basketball in his senior season.

The Aquinas Tommies have traveled more than 2,000 miles already this season, playing in one tournament and visiting three states. They sported a 5-2 record going into the annual Christmas Tournament this week in Flint.

The exhausting nine-game road

CHET MURAWSKI

jaunt will end after the holidays and the Tommies play host to the top basketball schools in Michigan and the Midwest.

JANUARY finds the Aquinas club meeting teams from Hope College, Northern Michigan University, Ferris State College and Dominican College of Racine, Wis.

There is still a rough road ahead for the fighting Tommies, and ready to be called upon when the going gets rough is Chet Murawski, a most valuable asset on the bench.

View City's Future

Planners Stress Financial Potential

While Ferndale business and industry are going strong right now, the potential is much greater, according to the city's professional planning consultants.

"It must be recognized that Ferndale has substantial natural advantages and a potential greater than that of many of its 'sister suburbs,'" states the Detroit firm of Parkins, Rogers and Associates.

IN THE LAST of three reports prepared in the development of a "comprehensive

plan" for Ferndale, the consultants say:

"Ferndale can move forward by rebuilding where necessary, by conserving its natural resources in young people, by assisting its retail trade areas to maintain a competitive level of activities and by expansion of its industrial base."

But the report also cautions, "What is required is a determination on the part of the people to convert these 'plus features' and potential into reality."

"Implementation of the forthcoming Comprehensive Development Plan will go a long way toward achievement of a more advanced Ferndale. To this end, it seems that the people of Ferndale have it almost completely within their power to redirect the course of the city."

Goodfellow Yule Drive Nets \$5,000

With the help of local business school groups, clubs and individuals, the Ferndale Goodfellows netted more than \$5,000 in their effort to provide food and clothing for 140 needy families.

With money from canisters still to be counted and a few checks still expected from business concerns, the final total could run more than \$5,300, said fireman Frederick Cupples, Goodfellow treasurer.

BESIDES the food going to 140 families, toys and Mary Anne dresses brightened Christmas for 288 children.

Also included in the Dec. 22-23 deliveries were 19 senior citizen families.

"We had a tremendous assortment of canned goods and plenty of everything," said Sgt. James Richards of the Fire Department, Goodfellow president.

With 8,000 newspapers in hand Dec. 7, about 60 Ferndale police and firemen, along with some citizens and city officials, garnered \$3,129.95 in contributions.

ADDED to this was \$189.59 donated during a fish fry sponsored by the Ferndale Licensed Beverage Association and held at Hosmer's Bar and Grill, 23500 Woodward.

The students cooperated by bringing in canned goods during the "white gift party."

PINT-SIZED PAINTERS show examples of their skill to art patron John Howard, Ferndale Kresge manager. Little Lori Kai Gardner of 23420 Seneca Street, Oak Park, was first prize winner of the 2 and 3 year old group. Melody Rose, 6 years old, of 23460 Meadowlark, Oak Park, was judged best artist in the 4 to 6 category. Both girls received \$10.00 in toys as their share of the annual Kresge coloring contest.

All at St. James Shoot the Hoops

By JIM SAMULSKI

Everyone is involved in basketball at St. James. The high school girls will begin their cage season Jan. 17. The grade school teams also will begin soon.

THE GIRLS have not experienced victory very often, winning one game last season.

Coach Martha Goode will have to depend heavily on last year's holdovers: Elaine Grinde, Eileen Olson and Angie Wojcik, the only returning regulars.

Even with the inexperience, Miss Goode is confident the girls will give a much better showing this year.

They'll be helped by Phyllis McLaughlin, Rose Siadak, Mary Samulski and Claire Michoski, who all played regularly on last season's reserve team.

The girls have a lot to anticipate. But the boys, with a 2-3 record, can look forward only to being "spoilers."

THE DALES take on a tough St. Andrew team Saturday. The Flyers are still very much in contention for the league title.

Although St. Andrew's only has a 3-2 record, it is still quite capable of becoming a champion; the Flyers finish the

Ferndale Business Booming

Editors Note: The material for this article was compiled especially for The Legal Advertiser and Ferndale Gazette-Times by Forrest B. Bradley, manager of the Ferndale Board of Commerce.

Ferndale business is booming.

So are the city's industries. Striking ahead of a nation-wide trend, a number of local merchants report a net gain of 10 to 15 per cent for the past year.

A REPORT by the Prudential Insurance Company shows the national average increase in business during 1964 to be about 7 per cent.

With very few exceptions, retailers saw better Christmas business than a year ago.

Exceptions were specialty shops whose mainstay is "stormy-weather merchandise." But heavy snowstorms are promised for January, notes Forrest B. Bradley, Board of Commerce manager.

Several specialty shop owners felt that people shopped earlier this year than in the past.

A RANDOM sampling during the Christmas period showed 48 per cent of the

Continued Peace Prosperity Seen

By ROGER W. BABSON

Promising the people of the United States "peace and prosperity," President Johnson was carried to victory last November on an overwhelming landslide. By nature he is more likely to compromise than to contest. Also, he is deeply sincere in his desire to accelerate the economic growth of this country and to wipe out poverty.

But we must not forget that both Woodrow Wilson and Franklin Roosevelt promised to keep America out of "foreign" wars. And already the British financial crisis has forced the Federal Reserve to raise its discount rate to four per cent — despite President Johnson's dislike of higher money rates.

Therefore, as we look forward to 1965 from our more than 60 years of experience in forecasting and analysis, we emphasize once again that the great rolling tides of economic fundamentals and social currents are likely to have a greater impact on what is to unfold than will the campaign promises of successful candidates.

1. There will be no war with Russia during 1965. The Russian people want some of the "peace and prosperity" that President Johnson promised our citizens.

2. Watch Russia's satellites in 1965. They will try to make a deal with the new Moscow Administration which will involve more trade and prosperity and less politics. Following Khrushchev's fall, the satellites will aim for more consumer goods for their people rather than for more personal freedom.

3. Russia will not bring the Berlin issue to a crisis in 1965. The tendency will be to soft-pedal talk about Berlin until Red China's course of action becomes clearer.

4. Red China made the biggest news in 1964 by exploding a nuclear bomb. In 1965, Communist China's greatest effort will be to gain admission to the United Nations. World leaders cannot ignore this awakening giant with its 700,000,000 people. We believe there is a 50-50 chance that the Red Dragon will get into the UN in 1965.

5. However, Communist China will not risk all-out war in the year ahead. She has neither a sufficient stockpile of nuclear bombs nor adequate means of delivering them in quantity. Red China's biggest use of her new-found nuclear power will be to "blackmail" the West.

6. Regardless of what happens in the next few months, we look for President Johnson to compromise on the situation in South Vietnam sometime during 1965 and move toward "neutralization."

7. Conditions in Cuba are not likely to change radically in 1965. The Russians will do nothing to help Castro; neither will they do much to help him. Thus Castro will be unable to deliver the economic help he has been promising other Latin American nations. And with world sugar prices down, the Cuban chieftain will try to make a deal with the United States before the end of 1965.

8. Cutbacks in defense spending will not result in radical unemployment in the U.S. in 1965. Companies and regions seriously affected by the loss of "conventional" defense work will shift to meet the rapid changes due in our system of defense during the next few years.

9. Our Defense Department, under Secretary McNamara's leadership will increase efforts in 1965 to produce new super-weapons. It is realized there would be no Maginot or other "line" to protect any country in future wars. Control of space will be the new aim in defense.

COMMUNITY COLLEGES

Campuses Now Reality; Admission Open to All

(Editor's Note: The following is the last in a series of three articles published by the Gazette-Times on the Oakland Community College plans.)

In the Dec. 17 issue of the Gazette-Times, we covered the need for three community college sites dispersed throughout the County for

easy communication of students from various parts of the district.

Three campuses are now a definite reality, awaiting only final approval by the parties involved.

IN ADDITION to the Auburn Hills campus, which will serve students in the northern section of the county, the Oakland County Community College trustees have spent \$1,400,000 in the past two weeks to buy two more sites.

One is the County TB Sanitarium on Union Lake. With it comes 84 acres for expansion and parking facilities.

The third purchase is 135 acres of land — no buildings on this property — bounded on the north by I-96, on the east by Orchard Lake Road, on the west by Farmington Road, on the south by a subdivision.

Trustee Fred A. Chapman feels that the south campus in Farmington Township is an ideal location.

"Orchard Lake Road," he explained, "is the only interchange on I-96 between Telegraph and Novi. With the three sites the Oakland Community College blankets the area and district."

Mrs. Lila Johnson, secretary of the College Board, said the Farmington campus "is within 15 minutes driving time of

downtown Royal Oak."

COLLEGE President John E. Tirrell said he hopes about 90 per cent of the property and building costs will come from state and Federal sources.

"I think Macomb and Oakland Community College districts will eat up the whole \$2,200,000 allocated to community colleges in Michigan for this year."

Now that the important matter of site is almost settled, and since we discussed the objectives and proposed programs in last week's issues, let us this week explore the policies outlined for the operation of the college.

AMONG THE important policies under discussion are three Dr. Tirrell indicated were of critical concern in the establishment of the College:

"The Michigan law governing the community college extends the opportunity for admission to every high school graduate.

By placing students with little evidence of previous

Continued on Page 4

Eagles Meet Mighty Oaks

Royal Oak Dondero will provide the opposition when the Ferndale Eagles resume their hardwood season Tuesday night.

The Oaks are led by veterans Rick Hirsch, Bob Sherwin and high-scoring Doug Goulait.

AFTER LOSING to Birmingham Seaholm in its opener, Dondero has won three straight — all by wide margins.

It looks as though the Eagles will have their hands full in the Oaks' new gym, located behind Dondero High School, Washington, north of 11 Mile.

Reserves start at 6:30 p.m., varsity at 8 p.m.

'The Dinosaur Dilemma'

LOCAL AUTHORS COLLABORATE

"The Dinosaur Dilemma," a new adventure book for children, was written by two local authors, Mrs. Lois Breitmeyer of 112 Cambridge Boulevard and Mrs. Gladys Leithausner of 122 Elm Park, Pleasant Ridge.

Friends of long standing, Mrs. Breitmeyer and Mrs. Leithausner were interested in writing for some time before joining a writing group in Oakland County, sponsored by the American Association of University Women.

Writing short stories and poems about science only whetted their appetites for something more sizeable.

THEIR BACKGROUNDS in teaching and their interest in science finally helped them to decide that a book about dinosaurs would be interesting to most children.

In fact, the Leithausner children were already fascinated by a stuffed dinosaur made by a fond grandmother. They also loved the small plastic toy models of prehistoric animals.

"It was quite hectic," recalls Mrs. Leithausner. "We had four small children underfoot when we were trying to put the book together."

"One of us typed while the other looked after the children. Then money came in from the science poems in

a time to pay for a sitter while we did the final polishing on the book."

IN ADDITION to doing library research, the authors checked their work with the Museum of Natural History in Denver and the Smithsonian Institution in Washington.

The manuscript was sent to the Denver museum for a final checkup on scientific details.

"We both feel that information on science in books for children should be accurately presented," said Mrs. Breitmeyer.

There are several copies of "The Dinosaur Dilemma" in the Boys and Girls Room of the Ferndale Public Library.

SCIENTIFIC aspects of "The Dinosaur Dilemma" are discussed by Mrs. R. Sinate and its local authors, Mrs. Lois Breitmeyer and Mrs. Gladys Leithausner of Pleasant Ridge.

HAPPIEST OF NEW YEARS

TO ALL READERS AND FRIENDS OF THIS PAPER...

From Our Staff

Metropolitan Federal Has Branch in South Oakland

A new Oak Park/Huntington Woods branch office of Metropolitan Federal Savings was opened with an official ribbon cutting ceremony Monday, December 28, by Roger C. Richards, Executive Vice President of the Association.

The new office is located at 25555 Coolidge, at Sherwood.

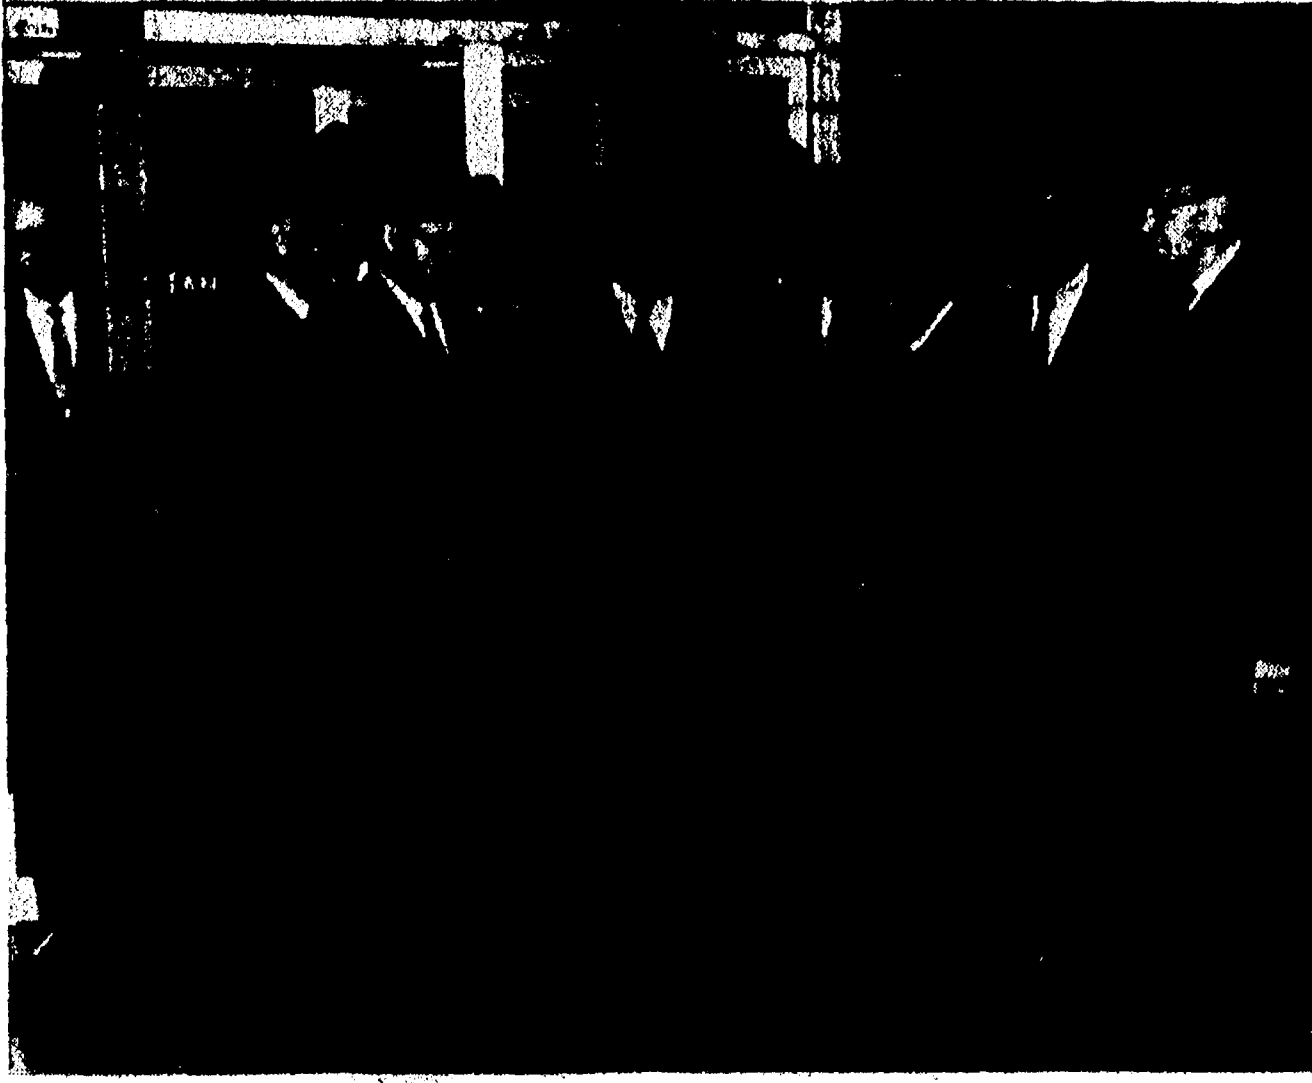

Highlighting the grand opening of the office will be the awarding of a \$1,000 savings account. A Zenith 16-inch portable television set, and three transistor radios as part of the opening activities will run throughout the month of January, climaxing at 7:00 p.m., Friday, January 29.

Open house hours will be 9:30 a.m. until 8:00 p.m. daily until January 8, except Saturdays, Sundays and Holidays.

Memento gifts will be given to all visitors, including youngsters. Special gifts will also be given to persons opening new accounts.

A beautiful 12-piece copper-tint Anchor Hocking Ovenware Set will be given away to anyone opening an account of \$1,000 or more or adding a similar amount to an existing account.

Persons opening or adding accounts should call or write: Metropolitan Federal Savings, 25555 Woodward Ave., Ferndale 20, Michigan.

BANK OFFICIALS AND invited dignitaries officiate at ribbon-cutting ceremonies Monday for the new Oak Park/Huntington Woods branch of Metropolitan Federal Savings.

Local Swimmers Lose Top Coach

Several swimmers known in the area are going to lose a valued mentor when Harry Hauck, coach of the Patton AAU team, leaves to take a

position with the Caribe-Hilton Hotel in San Juan, Puerto Rico.

Hauck has trained Ferndale High's coach, Ed Weckert. Several members of the Eagle team have worked under Hauck at Brennan Pools during the summer training season.

ART KIDDLE, Dennis White and Dan Loncar are all former proteges of the nationally recognized developer of swimming talent.

Jim Klemanski is presently a member of the Patton Aquatic Boosters, but cannot represent the club while swimming for Ferndale High. Another local swimmer, **Allan Cunningham**, a Pleasant Ridge graduate of Ferndale High School, is in the news due to his selection as a member of the Wayne State University varsity swim team. Cunningham is a freestyler.

Dog Obedience Course Planned

The Sportsman's Dog Training Club of Detroit Inc. will conduct a novice dog obedience course beginning at 7:30 p.m. next Thursday at the VFW Hall, 177 Vester, Ferndale.

To register, a dog must be six months old.

Owners must bring a health certificate from their veterinarian the first night, stating the dog is free of contagious diseases.

Registration fee is \$15.00 for the three-month course.

School Board Briefs

TORCH FUND
Contributions by employees of the School District to the 1964 United Foundation amounted to \$4,217.

This compares with \$3,634 last year and \$3,851 in 1962. **Stanley R. Cutshall**, administrative assistant, was Torch Fund general chairman for the District.

RECEIVE DEGREES
The Board was notified that **Thomas F. Steen**, sixth grade teacher at Jefferson School, has been awarded a master of education degree from Wayne State University.

Mrs. Marion B. Booker, art teacher at Grant and Wilson Schools, has received a master's degree from the University of Michigan.

IN GAA PROGRAM
Margaret R. Burton, physical education instructor at Ferndale High, has been invited to participate in a leadership day program Feb. 13, sponsored by the Michigan Girls' Athletic Association.

Miss Burton is to discuss the activities desirable in a GAA program. Five members of the Ferndale GAA will accompany her to the conference at Michigan State University.

STUDENT TEACHERS
Eleven collegians will soon be associated with the Ferndale School District in student teaching assignments.

Including one graduate of Ferndale High, **Mrs. Dorothy T. Hill**, nine Wayne State University students will work under a supervising teacher in the District from Jan. 11 to March 26.

Two other student teachers are enrolled at the University of Detroit. They will be assigned to Washington, Harding, Roosevelt and Jefferson Elementary Schools and Ferndale High. During the fall semester, there have been six student teachers here from Wayne and one from U. of D., instructing at Jackson, Roosevelt, Lincoln Junior High and Ferndale High.

EMPLOYED
Carol Ann Smith of East Lansing, who majored in elementary education at Michigan State University, will begin teaching Feb. 1 in the Ferndale School District. **Mrs. Carolyn M. Sallsbury** of Royal Oak has been employed by the School

Board. She was first employed here in 1957 and was assigned to second grade at Taft School.

Hired as helpers at the Ferndale High cafeteria were **Mrs. Helen Bourgeois** of 1377 Hazelhurst and **Mrs. Mary Foyle** of 251 East Marshall. **Mrs. Margaret Lopez** of 153 Channing was assigned to the Lincoln Junior High cafeteria.

Mrs. Bourgeois replaced **Mrs. Esther M. Paulussen** of 1376 West Hazelhurst, who had been promoted to acting manager.

CUSTODIANS
Robert L. McClure of 871 West Lewiston was hired as a custodian at Ferndale High, filling a vacancy created by the resignation of **Edward W. Gray** of Oak Park.

Jack E. Williams has been employed as a maintenance helper at Ferndale High, replacing **George Fabrizio** of Clawson.

William T. Lyon of 479 West Marshall has been assigned to custodial work at Ferndale High, to fill a vacancy created by the resignation of **Richard Johnson** of Berkley and the transfer of **Charles Kabin** of Royal Oak.

The Board has accepted the registration of **Gary C. Schultz** of Clawson as a custodian at Lincoln Junior High.

ST. JAMES HIGH Visiting and Relaxing—Main Vacation Habits

By HELEN LANIER

Vacation time was anxiously greeted at St. James! On the whole, the "rest period" has been spent visiting, relaxing and attending parties.

Although little time was planned for studies, the seniors did reserve some of their leisure time to work on research papers, due the first day after the holiday.

FOR MOST of the nuns, the vacation time was also a time for visiting, relaxation and studying.

Sister **Johanna, S.S.J.**, visited her home in East Detroit and played hostess to her nephew, the Rev. Augustine, a Capuchin priest from Wingdale, New York.

Sister **Alexander, S.S.J.**, spent some time home visiting her mother, who has been ill (the student body wishes her a speedy recovery).

Elaine Fraga also found the vacation a splendid time for visiting. She called on her close friend, **Nancy Misner**, who recently entered the Felician Order. The Fraga family

was expecting relatives from Mexico.

Pete Marvin was invited to Northwood Institute, where he plans to major in advertising.

THE VACATION brought about an opportunity for several girls to get together and exchange "recipes" for perfect knitting. Who knows? If the girls keep progressing, they may be hired to knit the senior caps and gowns! Fortunately, **Phyllis Wozzjan** and **Lynn O'Mella**, who

made use of the ski slopes, have no broken bones for the New Year.

I hope the fair weather did not melt the tobogganing plans of **Don Bond** and friends.

Area Pupils Attend Space Talk Series

Six area students attended the 1964 Holiday Lecture Series Tuesday at the Engineering Society of Detroit. Representing Ferndale High School were **Kathy Mustone** of Oak Park and **Dave Burstetta** of 75 Annhurst. From Ferndale's St. James High were **Kenneth Haycroft** of 24929 Patricia and **Ray South** of 1015 Albany.

Hazel Park High School students attending were **John Miller** of 23043 Tawas and **Thomas Sherrerd** of 86 West Hamata.

THEY HEARD Professor **J. Allen Hynck**, chairman of the department of astronomy at Northwestern University, speak on "Our Place in Space" and "Satellite—Mariner to Mars."

Attending were more than 700 metropolitan area students and 200 science teachers.

Sponsored by the education committee of the Engineering Society, the series was inaugurated last year in collaboration with the American Association for the Advancement of Science.

Goodfellow

Continued from Page 1

rade" backed by the Ferndale School District.

And the Lincoln Junior High student council sponsored a student-faculty basketball game with admission being one can of food.

Turned over to the Goodfellows were 28 food-sized boxes of canned goods and the \$22 profit from the concession stands.

(The students whopped the teachers, 36-32.)

NUMEROUS contributions of money and goods were brought into at the Goodfellow headquarters on West Nine Mile.

Scores of women collected, sorted, sized, tagged and packed throughout the pre-Christmas rush.

And on Christmas Day in Ferndale, there were 159 full dinners and 398 more happy young hearts than might have been.

CHURCH NOTES

FIRST CHURCH OF CHRIST, SCIENTIST, Livonia and Cambourne—Subject of Sunday's 11 a.m. sermon is from Deuteronomy (8:4) "Hear, O Israel, the Lord our God is one Lord."

FIRST BAPTIST CHURCH, 1841 Pinecrest—Saturday at 11 a.m. junior choir rehearsal in the choir room.

Sunday at 9:45 a.m. church school classes for all ages including the nursery; 11 a.m. junior church in the Hamilton Chapel for all children ages 5 to 8; also at 11 a.m. morning worship. Rev. John F. Upham, pastor will use as his sermon topic, "Ordinance of the Lord's Supper."

Senior high Baptist Youth Fellowship at 6 p.m. Sunday in the Fellowship Hall.

Tuesday at 10 a.m.—Detroit Association Women's Baptist Mission Society meeting in the church. Theme: "Salvation Means Broken Walls." Drama will be presented by ladies of Women's Mission Societies of Second Baptist Church and Warren Valley Baptist Church. Devotions and music will be included in the presentation. Conferences, Dessert luncheon.

Tuesday at 7:30 p.m., all board and committee monthly meetings in the church.

Wednesday, at 7:30 p.m., mid-week Fellowship and Bible study in the Hamilton Chapel. Also at 7:30 p.m., handicapped group meeting.

Thursday at 7:30 p.m., Chancel choir rehearsal in the choir room.

ZION LUTHERAN, Albany at Woodward—A New Year's Eve Vesper service will be held at 7:30 p.m. Dec. 31. The public is invited.

DRAYTON AVE. PRESBYTERIAN, 2441 Pinecrest, Sunday 9:30 a.m., morning worship and church school; 11 a.m. morning worship and church school. Following each service a coffee hour is being held in the church lounge. All worshippers are invited.

ST. JAMES CATHOLIC, Woodward at Pearson—Sunday Masses at 6:30, 8, 9:15, 10:30, 11:45 a.m. and 12:50 p.m. Week day Masses at 6:30, 7 and 8 a.m. Benediction every Friday after 8 a.m. Mass and at 7:30 p.m.

Confessions Saturday from 3 to 5:30 and 8:30 to 9 p.m. Sunday morning confessions for adults will start at 7:40 and continue until Mass time at 8 a.m. This is necessary due to the new liturgy; it is impossible to hear Confessions during the participated Mass.

The monthly Holy Hour will be held as usual this evening (Thursday) from 7 to 8 p.m. Friday is a Holy Day of Obligation. Masses will be at 6:30, 8, 9:15, 10:30 and 11:45 a.m. and 12:50 p.m.

The Rosary Altar Society will hold its monthly communion Sunday at the 8 a.m. Mass.

The Young Adults Club will meet at 3 p.m. Sunday in parlor "B".

ROYAL OAK UNITY TEMPLE, 2500 Crooks Road in Royal Oak—Sunday devotional services at 11 a.m., lesson topic, "I Am" in the Sunday School building.

The Royal Oak Women of Unity invite all women interested to join and bring a project at 10:30 a.m. Wednesday. Knitting instruction is available at 8 p.m. Wednesday.

A prayer and healing service will be held in the Sanctuary.

Mrs. Romney Will Address Church Women

Mrs. George W. Romney will address the Episcopal Church women of Christ Church Cranbrook at a noon luncheon Jan. 5.

Mrs. Romney will speak on "Reaching for Higher Tools" as part of this year's theme, "The Christian Woman in Today's World."

Holy Communion at 10 a.m. will begin the day. Workshops will precede the luncheon.

Reservations will be open at the church office, MI 4-5210, until Monday.

First of all a man must see, before he can say.
—Henry David Thoreau

shoppers coming from Ferndale, 13 per cent from Detroit, 12 per cent from Oak Park and the remainder from surrounding cities all the way from Highland Park to Birmingham.

The 13 per cent Detroit figure is contrasted with 18 to 20 per cent in past years. Highlighting this year in Ferndale business and industry have been a number of newcomers, too many to list completely.

A few of the new retail and commercial outlets include Dorsey Business School, Harris Electric, International Animal Exchange, Allied Beauty and Barber Supplies, Macphall Industrial Sales, Kopper Kettle Restaurant and Universal Music.

Examples of industrial newcomers include Yickers Inc., Nelson Dental Ceramics, Falcon Industries and J. B. Webb Co.

THE LIST of expansions is also lengthy. As an example, F & M Distributors under owner Fred Cohen moved to a larger store on West Nine Mile and established a book store in the original establishment next door.

Other recent retail and commercial expansions include Higgins Pontiac, Kaltz Fuel, Bessinger's, American Music Studio, Fernco Joint Sealer, photographers Jack Richards and Kermit Johnson; and Doeren, Mayhew, Gron & McNamara.

Some of the larger expansions recently completed or still underway include Bennett Steel, Walker Wire and Steel, E. A. Thompson Mfg., N. A. Woodworth Co., Midwest Wire Products, Jefferson Iron Works, Schumacher Laboratories and Martini Die and Engineering Co.

THE COMING year looks just as good to the Board of Commerce manager, Bradley adds:

"With the ample, convenient parking available to Ferndale shoppers, the merchants' area can continue to expand and improve as long as the store owners and managers continue to supply good merchandise at a fair price with courteous sales personnel."

FERNDALE HIGH

'Honorable' Society Is Boon to the Community

By GLENN VAN SYOC

The Honor Society at Ferndale High has proved itself to be a boon to the community rather than merely a status symbol.

the Society must have at least a 3.3 grade point average. President Karl Ameriks said the membership was entirely selective.

year, the Ferndale Rotary Club sponsors an assembly and dinner for the graduating members of the Society.

Area Obituaries

THOMAS A. AGER, 69, of Orchard Lake died Dec. 22. He was formerly of Ferndale.

He was born Oct. 24, 1895, in Grand Rapids. Surviving are his wife, Dorothy M.; a daughter, Mrs. Frank E. (Harriett) Bell of Orchard Lake; a son, Harry A. of 419 East Maplehurst; and six grandchildren.

Services were held Thursday in Keego Harbor. Burial was in Oakland Hills Memorial Gardens.

MRS. CLARA JOSEPHINE ADAMS, 87, died Dec. 23 in Ardmore Hospital. She made her home with her daughter, Mrs. David "Bud" (Harriette) Brown of 888 Withington.

Formerly of Lambertville, Temperance and Flint, Mrs. Adams taught school in Monroe County.

Surviving besides Mrs. Brown are another daughter, Mrs. Alvin (Jeannette) Sasse of Midland, two granddaughters, two great-grandchildren; and a brother, Edwin Thomas of Bradenton, Fla.

Services were held Thursday in Temperance. DOUGLAS G. ANDERSON, 51, of 908 West Oakridge, was killed Thursday in an automobile accident in Detroit.

Surviving are his wife, Caroline M.; two children, William D., Mary E., both at home; his mother, Mrs. Catherine M. Anderson of Detroit; one brother, George of Detroit and two sisters, Mrs. Dean (Elizabeth) Woodruff of Frankfort, Germany, and Miss Janet Anderson of Detroit.

Mr. Anderson was a member of the South Oakland Torch Club, the Detroit Mathematics Society and a member of the Session of the Drayton Avenue Presbyterian Church.

The Rev. John W. Hoyt of the Drayton Ave. Presbyterian Church conducted services Monday at the church.

FLOYD E. BITNER, 66, of 1082 Marshfield died Sunday morning in Providence Hospital, Detroit, after an extended illness.

Mr. Bitner formerly owned and operated B and G Grinding Service in Oak Park.

He was born Jan. 4, 1898, in Tipton County, Ind. He married his wife, Mabel M., in June, 1915, in Fairmont, Ind. She survives.

Also surviving are two sons and three daughters, John L., of Southfield, Mrs. Robert (Pat) Shank of Detroit, Mrs. Albert (Betty) Budinas of Southfield, Donald L. and Mrs. Robert (Dorothy) Hadly, both of Detroit; a brother, Herman of Detroit; one sister, Mrs. Eva Smith of Wayne; and 16 grandchildren.

Funeral services were held Wednesday in Fairmont, Ind. Burial in Park Cemetery there.

HERVE CASTILLOUX, 76, of 2020 East Troy died Monday in William Beaumont Hospital, Royal Oak. He was born in Canada Oct. 20, 1888.

Surviving are his wife, Louise; six children, Arthur of Royal Oak, Mrs. Carl (Cecile) Ronne of 257 LeRoy, Mrs. Steven (Catherine) Dupuis of Rochester, Mrs. Fred (Rita) Steinhauer and Albert of Hazel Park, and Eugene of Vancouver, B.C., Canada; and 22 grandchildren.

Also surviving are a brother, John of Detroit, and four brothers and one sister in Canada.

Funeral services were held Wednesday in Hazel Park. Burial in Cadillac Memorial Gardens East.

MRS. ANNE LOUISE GIVENS, 68, of 381 West Webster, died Friday at Hilton Convalescent Home. She was manager of the millinery department of Federal Department Store in Ferndale for the past 15 years.

Surviving are a son, Lloyd E. Hughes of Livonia; five sisters and brothers, Mrs. Emily Koopman of Toronto, Ont., Mrs. Ethel Pinkney of Oak Park, Arthur Cain, Mrs. Kit Curtis, Harry Cain, all of London, Eng.; and five grandchildren.

Funeral services were Monday in Royal Oak. Interment was in Acacia Park Cemetery.

FREDERICK E. JONES, 66, of 38 Fairwood, Pleasant Ridge, died Dec. 23 in Henry Ford Hospital, Detroit.

Mr. Jones was a patent attorney for General Motors for 43 years before his retirement in March, 1962. He was a member of the Michigan Bar Association and the Patent Law Association.

Born March 10, 1898, in Detroit; he served with the U.S. Navy in World War I. He formerly lived in Berkeley.

Surviving are his wife, Bessie, (Betty); a son, Dr. Robert O. Jones of Farmington; and four grandchildren.

Funeral services were Thursday in Royal Oak. Burial was in Acacia Park Cemetery.

Surviving are his wife, Bessie, (Betty); a son, Dr. Robert O. Jones of Farmington; and four grandchildren.

Funeral services were Wednesday in Pleasant Ridge. Interment was in White Chapel Memorial Cemetery.

CHAUNCEY STOFFER SR., 82, of Detroit, died Dec. 24 in Hilton Convalescent Home. He was the father of Chauncey P. Stouffer Jr. of 240 East Hazelhurst.

He leaves his wife, Anna; one other son, Maxwell of Rochester; a brother, Leslie of Creston, Ohio; six grandchildren, and 30 great-grandchildren.

Mr. Stouffer was born Oct. 24, 1882, in Waynesboro, Pa. Funeral was Monday in Hazel Park. Burial was in Oakview Cemetery.

PLACIDE LABELLE SR., 70, of 573 Stratford died Monday shortly after admittance to William Beaumont Hospital in Royal Oak.

A resident of Ferndale for 40 years, he was a tool and die maker at Ex-Cell-O Corp. in Detroit for 25 years. At the time of his retirement in 1955, he was a supervisor.

Born Oct. 20, 1894, in Bad Axe, he and his wife, Theresa E., were married Aug. 20, 1918. She survives.

He also leaves seven children: Mrs. Robert V. (Virginia L.) Cissell of 885 West Marshall; Leonard J. of 527 Allen; Richard J. of 2005 Central; Placide S. Jr. of Pacoima, Calif.; Robert J. of Phoenix, Ariz.; Gerald E. of Royal Oak; and Mrs. Bernard J. (Barbara) Retchless of Belmont, Calif.; and 24 grandchildren.

Also surviving are six sisters: Mrs. Lillian Steward of Detroit; Mrs. Gertrude Meyer and Mrs. Eleanor Knight of San Antonio, Fla.; Mrs. Mary A. Leonard of Royal Oak; Mrs. Mac (Grace) Elvin of Englewood, Fla.; and Mrs. Thomas (Erma) Furness of Caseville.

Mr. LaBelle was a member of the Holy Name Society and the First-Friday Club at St. James Church.

Prayers at 9 a.m. Thursday at Spaulding and Curtin Funeral Home, 500 West Nine Mile, followed by 9:30 a.m. requiem Mass at St. James Church. Interment in Holy Sepulchre Cemetery.

IN THE SWING OF THINGS is a seemingly headless Ferndale participant in the annual competition between Ferndale, Birmingham and Pontiac city workers in parks and forestry. After speeding up the tree in jig-saw time, he takes an even faster way down. Ferndale came in second this year, winning two out of nine speed and dexterity events—tractor driving and spur climbing. Birmingham copped the "Silver Saw" top trophy. The "businessmen's holiday" was held in Taft Park this year.

Behrendt Is Reappointed For 6 Months

Contrary to a current misconception, Paul L. Behrendt of 874 Gardendale was not appointed, but reappointed, by the School Board to the Ferndale Recreation Advisory Committee.

And Behrendt's term is noted in the Dec. 16 School Board minutes as running only through June 30, 1965, rather than for three years.

It has been stressed that, as of next July 1, both the School District and the City will carry on recreation programs is the City Commission, as is expected, approves the recent Board resolution dissolving the present joint operation.

The Commission has also reappointed its two Recreation Advisory Committee members whose terms expire today: Clifford F. Michael of 1956 Pinecrest and Magella J. Roy of 3276 Grayson.

Ferndale Grad Gains Degree

A 1959 graduate of Ferndale High School, Mrs. Phyllis Anne Johnson is one of four women who received bachelor of science degrees in occupational therapy earlier this month from Wayne State University's School of Medicine.

The daughter of Mr. and Mrs. Blake E. Thornton of Oak Park, Mrs. Johnson had received a traineeship grant from the Vocational Rehabilitation Administration in Washington, D.C., and a grant from the National Cerebral Palsy Foundation.

She is presently employed as an occupational therapist at the Lafayette Clinic.

Issac Stern To Perform At Masonic

A ranking citizen of the musical world, Isaac Stern, one of America's finest violinists, will perform Friday, Jan. 8, at Detroit's Masonic Auditorium.

PRESENTING A \$1,000 CHECK to Al Kaline (right), March of Dimes County campaign director, is Nicholas A. Cannell, president of the Ferndale Exchange Club. This contribution represents the Club's assistance into medical research for birth defects. The Exchange Club annually raises funds for the March of Dimes by sponsoring a musical talent benefit at Radio City Theatre.

Rotary Profits \$1,800 from Sale

Ferndale Rotary's annual fruit cake sale recently ended with a net profit of more than \$1,800 according to Larry Trevarrow, sales chairman.

Community Health Center Suggested

A suggested Community Mental Health Center for Ferndale was announced today, calling for a facility with a minimum of eight rooms staffed by 15 persons.

OAKLAND SCHOOLS would provide reimbursement for the phase of the program which provides for trainable children and provide consultant service to the director upon his request.

The plan would include "moderately retarded" and "severely retarded" groups. "Moderate" groups include children of IQ ranging from 30 to 50 and "severe" includes children of IQ from 20 to 30.

OAKLAND COUNTY has become the first area in Michigan to gain state approval for the program, with the State Department of Mental Health approving a budget of \$307,105 for the first half of 1965.

College

Continued from Page 1 success on probation and limiting others to a reduced program as a result of entrance examinations and counseling, the maximum number can find an educational program they can complete successfully.

NEW CHAPTER To Hold Meeting Of Buxom Belles

Ferndale Buxom Belles, a new chapter of Buxom Belles International, Inc., is holding its first meeting at 8 p.m. Thursday, Jan. 7.

MRS. HUGH PHILLIPS

Ski Team Aims High, 'The Spirit is Willing'

"We hope to improve on our fourth place standing — like in the league, it makes things capturing first," says Ferndale High ski coach Bob MacKay.

Ferndale spirit came through during last year's inaugural season, with the team finishing fourth out of 15 schools.

Although the team is new at FHS, the sport is not. Prior to last year, the boys' ski club, the Moguls, took week-end jaunts northward.

IN COMPETITIVE meets, each school is allowed six entries. Only four skiers may qualify.

THE SEASON starts in October, with rugged conditioning drills daily after school.

Phone 869-1800
WE DELIVER THROUGHOUT THE METROPOLITAN AREA

Proclamation March of Dimes Month

WHEREAS, more than 250,000 American babies are born each year with a significant birth defect, and

WHEREAS, medical care utilizing the skills of many specialists working together is not available to most persons stricken with these cripples, and

WHEREAS, the March of Dimes is financing the work of researchers seeking breakthroughs to the prevention of birth defects, and

WHEREAS, funds are also needed for continued aid to polio patients, health career scholarships and support of the Salk Institute for Biological Studies.

NOW, THEREFORE, I, Bruce D. Garbutt, mayor of the City of Ferndale, do hereby proclaim January, 1965, as March of Dimes Month and do urge all citizens to contribute generously to this campaign.

(A similar proclamation is to be signed next week by Theodore M. Barr, mayor of Pleasant Ridge.)

MacKay feels the fine showing of the ski team should be credited to Gus Hanson, Ferndale High athletic director.

HOWEVER, an ankle injury may keep Pettigrew off the slopes for awhile. Dunn already holds the fastest time of any Ferndale skier.

Also expected to see action are Craig Cruickshank, Bryon Prylon, Dave Leguis, Marshall Montgomery, Bill Meyer and John Juntunen.

Registration Set For Adult Skiing

Registrations will be taken next week for a five-week ski class open to teens and young adults at Oakland YWCA in Clawson.

A HAPPY NEW YEAR EVERYONE!

These local business people wish you and yours the Happiest of New Years for 1965.....

Joy Marred By Accidents,

Knowing how to appreciate the holiday season has always been a most restful trait. Chief of Police Neil J. McGillis believes he has some excellent pointers in that direction.

Good Luck

We're wishing you a year of dreams come true. May prosperity be yours in 1965.

DETROIT'S HOT ROD SHOP
 What constitutes a REAL custom exhaust system? Is it a name tacked on to the front of the word "header" to mislead? Or is it EXPERT welding, PRECISION fitting and KNOWING DESIGN?
 A true custom exhaust system can only be built when the CUSTOMER'S PURPOSE has been DESIGNED into it. The horsepower available in exhaust systems for the money invested makes it almost a necessity that you BUY the VERY BEST.
 Perhaps YOU should take the time to find out what "Custom Headers" REALLY MEANS.

Babson Foresees Continuing Prosperity During the Coming Months

Continued from Page 1

10. Intensified emphasis on new space-age defenses will provide more jobs in 1965 than the closing down of obsolete installations will eliminate.

MARKET A PARADOX

11. The stock market will continue to be a paradox in 1965. The Dow-Jones Industrial Average may push to 1000 before any real turnaround takes place. Many stocks, however — including numbers of issues oriented to conventional warfare and defense — will still do little or nothing. Look for greater selectivity in stocks next year.

12. 1965 may be an advantageous time for investors to put very small sums of money into "space" stocks. These are outright speculations, but so were the ventures of Columbus, Magellan, and other explorers of the past. If there were no risk-takers there would be no progress. Such "investments", however, should be well diversified and limited to amounts you would be prepared to lose.

13. Cash dividend payments should increase in 1965 — although at a much slower rate than has been the case this year.

14. No assessment of finances in the United States can be made without carefully weighing Britain's plight. We are convinced that unless the Labor Government adopts strict austerity measures, the pound will fall before the end of 1965.

15. Until the fate of the pound is resolved, short-term interest rates must be kept high to prevent foreigners from withdrawing their deposits held here. Also, domestic demand for credit promises to remain strong. Hence, interest rates will edge upward during 1965.

16. There may be some erosion in bond prices as interest rates move upward, but there should be no massive

decline unless a real credit crisis develops. Investors making new purchases would do well, however, to stick now to bonds maturing within five years. Sometime during 1965 longer bonds may become good buys.

NO RUNAWAY PRICES

17. Inflation fears may rise in 1965; but we do not look for runaway prices next year as productive capacity is too large.

18. More wage hikes are certain in 1965. Liberal concessions won in the auto and other industries in 1964 provide tempting targets for the steel unions and secondary labor groups to shoot at in 1965.

19. To the extent — and this could be considerable — that higher costs cannot be compensated for by price hikes and greater efficiency, profit margins will suffer in 1965.

20. Indeed, despite the projected two per cent cut in the corporate income tax rate next year, we look for only a very slight overall rise in corporate profits. Nothing to compare with this year's huge twenty per cent expansion.

21. Labor disputes will be numerous in 1965. Many labor pacts can, and will, be reopened for wage adjustments during the coming year.

22. Employment will continue favorable in 1965, but additions to rolls will be most noticeable in fields such as teaching, personal services, and government work.

23. Little real progress will be apparent in the drive to reduce unemployment. We are only now just "touching off" the big new explosion in growth of the labor force.

MORE AUTOMATION

24. Due to rising labor costs, look for business to turn even more to automation and labor-saving devices in 1965. Pressures on profit margins will spur cost-cutting and efforts to raise productivity.

25. Because of rising expenses and overwhelming

competition, a further increase in failures will be seen in 1965.

26. As a result of automobile strikes in late 1964 and the fear of a possible steel shutdown in mid-1965, we look for a bulge in business volume during the first half of 1965.

27. In a nutshell, business should make new all-time highs in early 1965; after midyear, a tapering-off appears likely. However, 1965 will set another new record.

28. Following the strike interruptions of late 1964, personal income should move smartly ahead to new highs in the first half of 1965 — although the rate of advance will slow after midyear.

29. This projected rise in income will be beneficial to retail trade. And though buying in the second quarter may be dampened by heavy income-tax payments due Uncle Sam on April 15th as a result of under-withholding during 1964, the last half of the year will find retail trade in certain lines — such as furs and jewelry — spurred by President Johnson's promised excise-tax cuts.

GOOD YEAR FOR AUTOS

30. The important automobile industry should post another excellent sales year in 1965, but as the year advances we feel that gains will be harder to come by.

31. The powerful building and construction activities should prove a strong support to general business during 1965 — even though we foresee no marked improvement. Some gain in dollar volume will be largely due to higher costs. Apartment building has been overdone in some sections and a breathing spell is logical. One- and two-family houses could post a small increase, but the big market for new housing is still some years distant.

32. Overextension of credit and overambitious operators have put the real estate market in a bind in many large metropolitan areas. We strongly advise caution in making new commitments, especially in commercial real estate where a thin equity exists.

33. However, even if scarcer than in recent years, there will still be opportunities for selective purchases of real estate in 1965. Each area is a law unto itself. Know your locality and study the direction of growth trends. Farm land bought in the path of expanding suburbs may be a better long-term buy in 1965 than stocks.

34. Nonfarm real estate foreclosures will continue in an uptrend during 1965. This should be particularly true in regions where overbuilding of speculative homes has

taken place and where cutbacks in defense spending cause local distress.

35. Productive farm land that lends itself to mechanization will not decline in price in 1965. Rising use of farm equipment makes it necessary for operators to cultivate ever-larger spreads. This trend is maintaining the demand for fertile acreage in the farm belt.

36. As 1965 begins, prices for agricultural products are

generally well above their lows for 1964. Unless severe widespread drought intervenes, we look for no more than seasonal strength in agricultural prices during the year ahead. In a word, we do not see any near-term important uplifting forces on the farm scene.

COMMODITY PRICES UP

37. The situation in industrial commodity prices is somewhat different. With business heading higher in

the first half and with labor costs scaling new peaks, industrial commodity prices, with some exceptions, will push upward at least during the coming six months.

38. Living costs will also rise to new all-time heights. And, since President Johnson is committed to getting Medicare passed at this session of Congress, look for hospital, nursing, and doctors' fees to spurt before the end of 1965.

39. Even with federal income taxes already slated to drop a notch next year and with prospects excellent that excise taxes will be cut, retarding should be restrained by the knowledge that local taxes will take another up-tick and social security levies will rise again — even faster after the 80th Congress enacts Medicare.

40. Climbing capital goods outlays will be one of the brightest spots for 1965. Gains over this year could run as high as 10 per cent.

41. Further progress in United States exports will be harder to achieve in the coming year. Certainly, if the steel labor outlook appears bad by mid-spring, heavy imports of foreign steel may be resorted to by U.S. businessmen. This would result in a narrowing of our favorable trade balance and have a further adverse impact on the U.S. international balance of payments.

NO RUNAWAY INFLATION

42. Although we are not forecasting runaway inflation for 1965, we do feel that attempts to keep money easy in this country, in the face of a world-wide trend toward tighter credit, will greatly increase the danger of a later inflationary blow-off. Conditions remind us of the late 1920's when the Federal Reserve here kept credit too cheap and plentiful to support the British pound. Hence the eventual collapse came from an even more dangerous level.

43. It is unlikely that the United States will raise the price of gold during 1965. However, we may well see the calling of a monetary conference to deal with the weakened British financial situation and to attempt greater liquidity for world currencies generally.

44. As far as gold stocks are concerned, they are already high and should only be held in 1965 as insurance against the long-range trend toward higher world prices for gold.

45. The silver coinage situation will become more acute as the year progresses. The 80th Congress will be forced to consider a new silver coinage act. If it is not passed in 1965, it will be shortly thereafter.

46. Returning to the all-important foreign scene — since we are very much wrapped up in the future of the Free World — we forecast further instability among the Russian leadership. Khrushchev's ouster marked the beginning of the coming power grab in Moscow. The real leader has not yet emerged.

CHANGES IN UN

47. Ascendancy of the African and Asian nations to a

position of control in the United Nations will force the United States in 1965 to take action alone when vital spheres of influence are violated. The UN will become even more of a debating society; and month by month the chances grow dimmer that we will ever again see United Nations troops used for rescue operations such as in Korea or the Congo.

48. Following the British crisis, General de Gaulle will work harder than ever in 1965 to unite Europe as a great third force between Communism and the United States. President Johnson is well aware that the winds of change are blowing strongly in Western Europe. 1965 could see the beginning of the end for transatlantic union as envisioned by U.S. Administrations during the past two decades.

49. World-wide credit problems and restrictions on trade cast dark shadows on investment prospects abroad. Many nations which have shown great growth during the past 20 years will be poor risks for new commitments during the year 1965.

50. In conclusion, we recall the statement of a former President of a South American nation: That the U.S.A. prospered so greatly because its founders came to worship God — as opposed to countries whose settlers went to worship gold. Surely we can hope to prosper in the future only as we recognize that righteousness and morality must be as important as analysis and statistics as springboards for new business ventures during 1965 and in all the years ahead.

Detroit Real Estate Board Elects Henkel President

EDWARD HENKEL, JR. President

HORACE CARPENTER, JR. First Vice President

RALPH VIGLIOTTI, JR. Secretary

ELDON K. ANDREWS Treasurer

Edward Henkel, Jr., president of the Edward Henkel Realty Company, has been elected president of the Detroit Real Estate Board for 1965, succeeding Bruce N. Tappan.

Elected with Henkel as officers for the coming year were: Horace Carpenter, Jr., first vice-president; Eldon K. Andrews, treasurer; and Ralph Vigliotti, Jr., secretary. They will take office Jan. 1.

Michigan Real Estate Association, the National Association of Real Estate Boards, the Detroit Mortgage Bankers Association, the Mortgage Bankers Association of America, the Brokers Institute and Tau Kappa Alpha, honorary forensic fraternity.

A vice-president and general manager of Shopping Centers, Inc., Carpenter has been a member of the Detroit Real Estate Board for 13 years and is currently serving his second term as treasurer.

He is a member of the

Obituaries

Roy F. Taylor

Roy F. Taylor, formerly of 1586 Monterey, died Dec. 24 at the Alpha Manor Convalescent Home. Mr. Taylor, 77 years old, was born in Detroit and belonged to Friendship Lodge 417, F & A.M. The lodge held memorial services for him Sunday. He is survived by one daughter, Ruth Ann Waldo, of California, and two grand-children. Funeral services were held at the Alfred E. Crosby Mortuary, 12700 Hamilton. Burial was in Woodlawn Cemetery.

Mrs. Carrie G. Mark

Mrs. Carrie Grace Mark, 397 Eason, was 79 years old and had lived in Highland Park for 50 years. She was born in Lincoln, Nebraska. She was an active member of St. Paul's Methodist Church.

Mrs. Mark is survived by her children: Harry F., Elmer J., Thomas D., Andrew C., Arthur H., Mrs. Geneva Shurr, of Ft. Lauderdale, Mrs. Gerrie and Mrs. Mildred Maruszewski; two sisters, Mrs. Mary Bigley, of Los Angeles, and Mrs. Alice Sansone; 16 grand-children and 15 great-grandchildren.

Funeral services were held at the Harper-Mulligan Funeral Home, with the Rev. J. Edward Fulcher officiating. Interment was in Woodlawn Cemetery. The Highland Park City Council sent condolences to the family.

Sincere... Dignified... Considerate...

Three words which we feel truly represent our proud tradition of service.

Our many years of friendly associations with the families of this community have strengthened our dedication to service, dignified and considerate professional attention.

PICTURE PORTRAIT of the YEAR 1964

LONG, HOT SUMMER—Accidental killing of a white minister under a bulldozer during Cleveland school construction dispute typified civil rights strife that erupted across the nation, causing much violence in both North and South.

TWO FOR ONE—While Nikita Khrushchev spent much time travelling abroad, he failed to maintain his political fences at home. He found himself suddenly unhorsed in Kremlin style. Two men replaced him, Alexei Kosygin (top right) as premier, Leonid Brezhnev as party leader.

TO THE VICTORS—President Lyndon Johnson, Vice President-elect Hubert Humphrey celebrated Texas-style after very bitter campaign, sweeping victory over Sen. Barry Goldwater.

ANOTHER RUSSIAN FIRST—While the United States was still working to put two men into orbit, the Soviet Union succeeded in orbiting these three men.

COURTROOM WOES—Teamster boss Jimmy Hoffa spent much time in courtrooms, twice a loser.

NATURE'S DEVASTATION—Much of Alaska was left in ruins like these after one of the strongest earthquakes in history. Scores were killed, damage mounted into the hundreds of millions, but the cleanup began quickly.

NEW ON A-LIST—Red China added punch to its threats by exploding first A-bomb.

HEAT, NO LIGHT—Probe into affairs of Robert (Bobby) G. Baker produced much heat, but no light.

A RUGGED INDIVIDUALIST—France's President Charles de Gaulle continued his independent ways, quite frequently irritating his allies. He toured South America to build French relations.

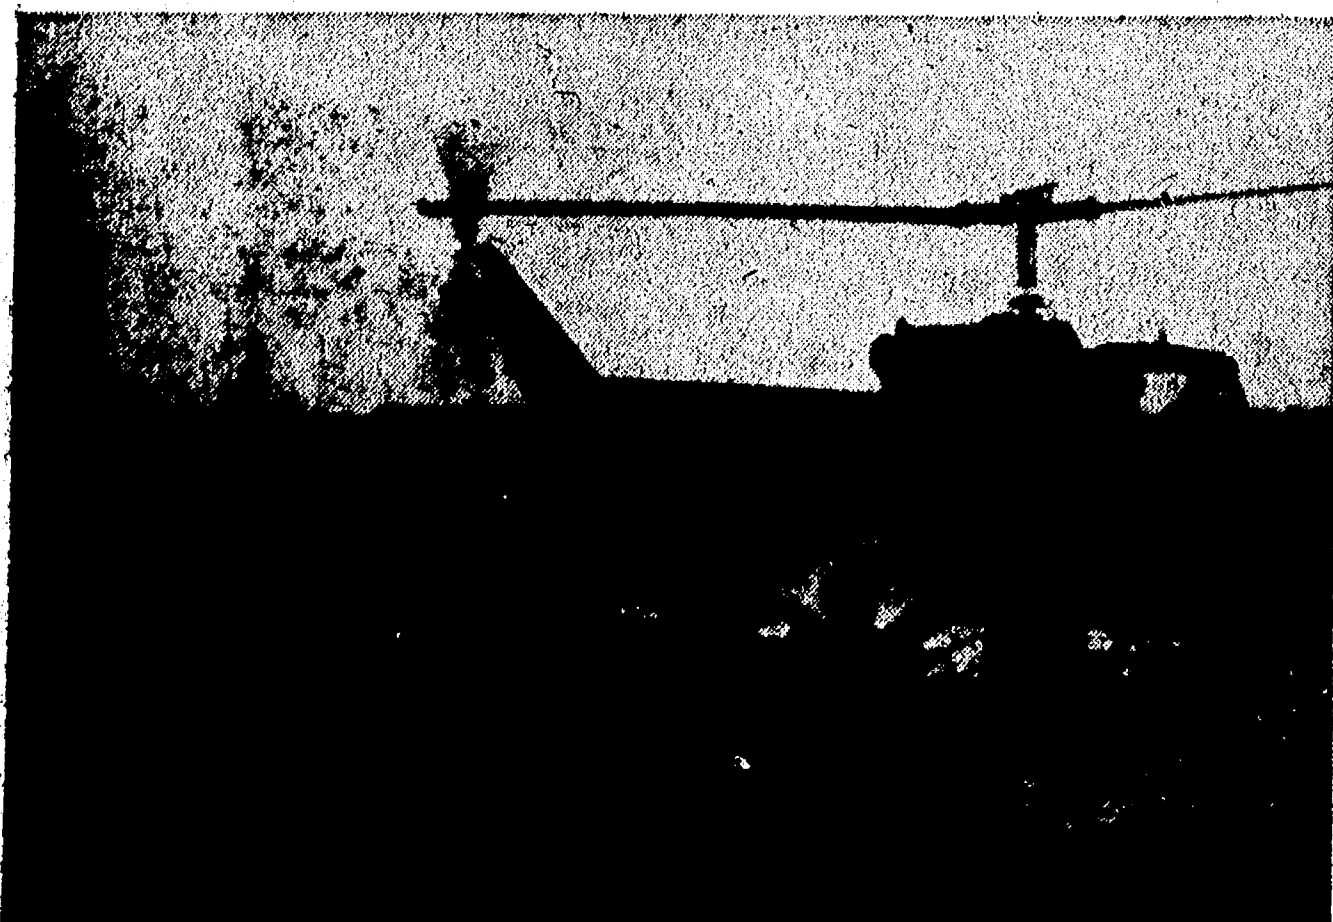

MEN IN THE MIDDLE—United Nations forces found themselves the beleaguered as they sought desperately to achieve peace on the strife-torn Mediterranean island of Cyprus. However, Turkish and Greek Cypriots continued to battle each other while their homelands issued threats.

CHANGE OF COMMAND—Prime Minister Harold Wilson was received by Queen Elizabeth after his Labor Party downed Conservatives in the British elections.

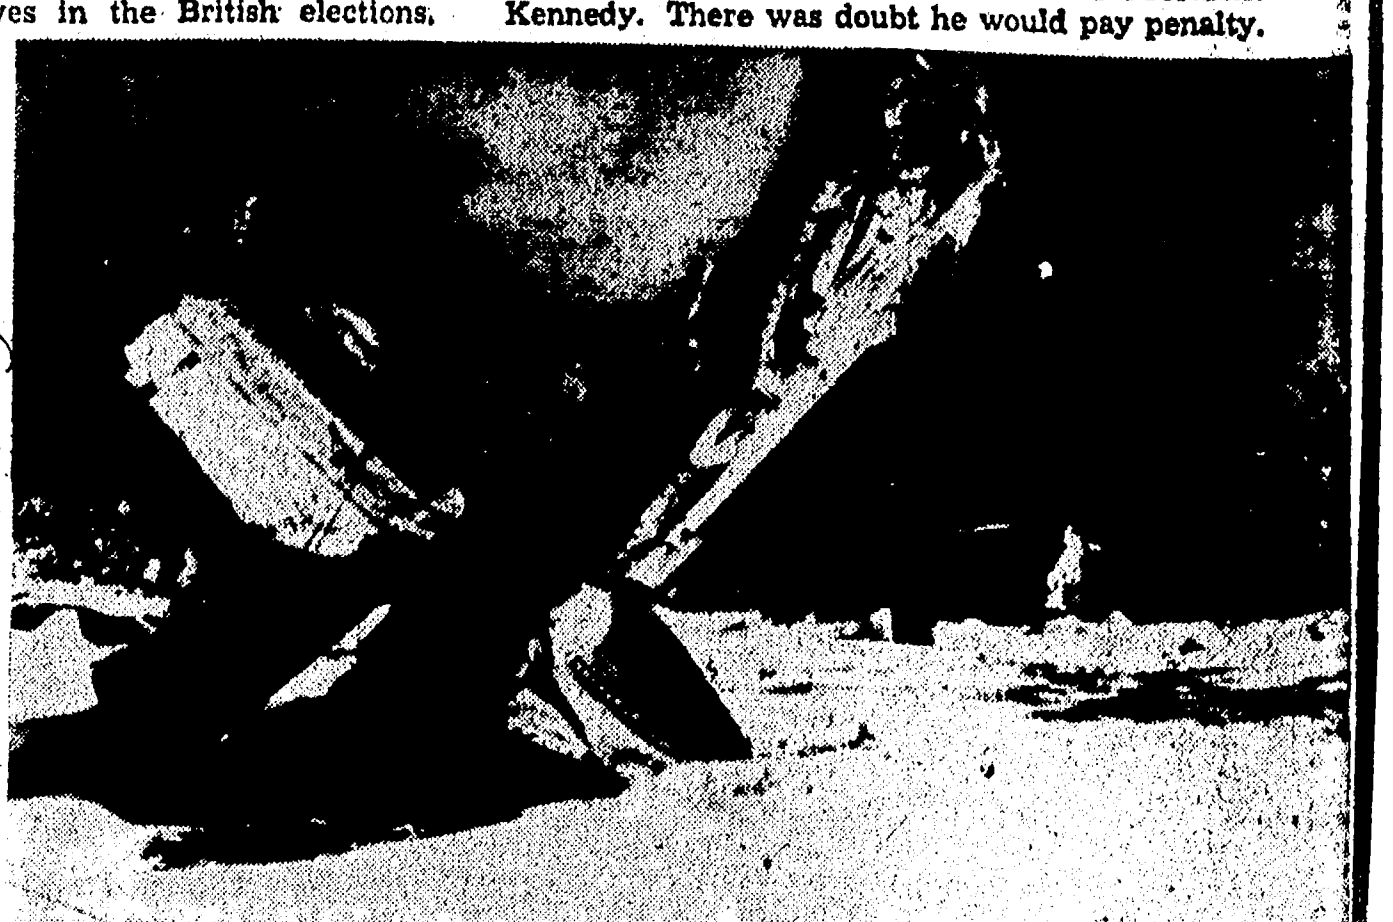

ASSASSIN'S ASSASSIN—Courtroom histrionics of attorney Melvin Belli (right) failed to save Jack Ruby, convicted in Dallas for killing Lee Harvey Oswald, believed to be the assassin of President Kennedy. There was doubt he would pay penalty.

HOT COLD WAR—Terrain was just one of the problems confronting South Viet Nam and United States forces battling Red guerrillas as U.S. losses mounted.

MERCY MISSION—Red world raised a furore when Belgian paratroopers and the U.S. Air Force combined to rescue hundreds from merciless slaying by Congolese rebels.

DEATH IN THE AIR—Not at all typical of the year's aviation accidents was this crash near Stateline, Calif., of a Paradise Airlines plane. Eighty-five persons were killed. Probers found a berserk man had shot the pilot and co-pilot.

At Bar Admission Ceremony...

At the far right is Oakland County Probate Judge Norman R. Barnard addressing the candidates who were admitted to Bar in ceremonies Monday at the

Oakland County Courthouse. Seated is Circuit Judge William J. Beer, who presided. More than 35 candidates took their oaths.

Members of the Lawyers' Wives of Oakland County were hostesses at a reception for the fledgling lawyers who were admitted to Bar in traditional ceremonies Monday. Presiding at the tea table is Mrs. Arthur E. Moore and standing (left to right) are Mrs. Leonard

A. Peres, Mrs. Richard P. Condit, Mrs. Jerome K. Barry, Mrs. Douglas W. Booth, president of the Lawyers' Wives, Mrs. James E. Nichols, Mrs. J. Robert Sterling, Mrs. William E. Lang, Mrs. John N. O'Brien and Mrs. Walter R. Dennison.

Forty-nine new attorneys, who passed the State Bar examination in September, have been admitted to the Bar in Oakland County ceremonies. Many of them were admitted Monday at the Oakland County Courthouse.

New attorneys from Royal Oak are Paul Rose, James E. Franklin, W. J. Hansberry, Joseph A. McCollom, Dennis L. Carmichael, John J. Hensel and Robert Renell.

New barristers from Oak Park are Wilbert Simkovitz, Ronald D. Gregg, Spencer Partrich, Louis Demas, Robert J. Battista, Frederick B. Gold and Marshall Keltz.

New attorneys from Pontiac are Robert Wadgell, Robert E. Cunningham, James R. Stelt and Charles O. Toby.

Those from Birmingham are Michael J. Bullinger, Frank Cameron, Edward J. Bishop, Harold W. Milton Jr. and Hurley O. Smith.

Other new attorneys from Oakland County are William Garrett Zable of Lathrup, L. Nicholas Flener of Lake Orion, Janice Morganroth of Southfield, James R. Lardig and Robert F. Peters of Rochester, Gerald A. Waechter of Berkley and Eugene K. Poole of Union Lake.

Detrotters admitted in the Oakland ceremony included Gerald K. Dent, Stanley Weingarten, Richard O. Rossman, Michael M. Pantel, Albert F. Delke, Ronald L. Phillips and Bernard Mintell.

George R. Gary of Dearborn and Ronald C. Hudgeins of Maumee, Ohio, were also admitted.

Other new barristers for whom addresses were not available, are Frederick N. Johnson, Ronald R. Hanlon, William J. Heaphy, Joel G. Russell, Richard F. Baker, Billy R. Adams, Burton L. Hutchings, John P. Spires and Gary G. Carley.

New Oakland Officials Take Oaths

New Oakland County Prosecutor S. Jerome Bronson (left), and new Oakland County Clerk-Register of Deeds John D. Murphy (right), who took their oaths of office during ceremonies Monday at the Oakland Courthouse, are congratulated by Bernard J. Youngblood, Wayne County Register of Deeds.

Another New Attorney

Brand new Attorney Spencer Partrich (left), is shown with Detroit Attorney Meyer W. Leih, his sponsor, and Circuit Judge Frederick C. Ziem at the Oakland County Bar admission ceremony Monday.

Recorded Michigan, on... there is claimed to be due at the date hereof the sum of ELEVEN THOUSAND THIRTY ONE and 07/100 DOLLARS (\$11,031.07), including interest at 3 1/2% per annum. Under the power of sale contained in said mortgage and the statute in such case made and provided, notice is hereby given that said mortgage will be foreclosed by a sale of the mortgaged premises, or some part of them, at public vendue, at the main entrance to the Court House in Pontiac, Michigan, at 10:00 o'clock A.M., Eastern Standard Time, on FRIDAY, MARCH 12, 1965. Said premises are situated in City of Berkley, Oakland County, Michigan, and are described as: Lot 433 "Glenford Park No. 1," a subdivision of the East half of the Southwest Quarter of Section 18, Town 1 North, Range 11 East, Royal Oak Township, Oakland County, Michigan, according to the Plat thereof as recorded in Liber 24 of Plate, Page 10, Oakland County Records. Dated: December 3, 1964. NINTH FEDERAL SAVINGS AND LOAN ASSOCIATION OF NEW YORK CITY, Assignee of Mortgage. J. New Attorneys Ronald R. Hanlon (left) and Frederick N. Johnson (right) are congratulated by their sponsor, George A. Googasian (second from left) as Mrs. Johnson looks on.

Metropolitan Federal Opens Area Branch

Continued from Page 2

to savings accounts in amounts of \$500 to \$999 will receive a copy of the full color, 436-page General Foods Cookbook, and an Everlast 'New Yorker Medallion' matching pen and pencil set will be given to persons opening or adding to savings accounts in amounts of \$25 to \$499.

The new Metropolitan Federal office, fifth established in the Detroit area by this \$47 million Association, makes a striking architectural contribution to the area.

The building's exterior is finished in white brick with grey ceramic tile highlighting the facade. Giant floor-to-ceiling window walls dominate the east and north sides of the building, projecting a free and open feeling to the interior. The front entrance is accented with black pearl granite.

The main floor, covering approximately 2,300 sq. ft., includes a conference room, officers' area, seven tellers' windows and two drive-in service windows, as well as a spacious lobby. The entire area, including the lobby, is luxuriously custom carpeted. The interior color scheme of off-white is accented with ultra marine blue, magenta and plum.

Architect for the project was Clarence E. Noetzel and Associates, with T. J. Keim serving as general contractor.

This new Metropolitan Federal Savings office will be managed by Mr. Leo Cooney. Following the open house period, regular office hours will be 9:30 a.m. to 5:00 p.m., Monday through Friday. Savings accounts at all Metropolitan Federal offices earn 4% compounded and paid quarterly.

With the Colors

Aviation Machinist's Mate First Class Gordon M. Goble, a former Lincoln High School student, was promoted to his present rank while serving with Training Squadron Nine at the Naval Auxiliary Air Station, Meridian, Miss. He is the son of Mrs. Ruth S. Goble of Oak Park.

PFC Gary A. Harnish, son of Mr. and Mrs. Alfred Harnish of 1704 Academy, has completed an aviation electronic equipment maintenance course at the Army Southeastern Signal School, Fort/Gordon, Ga.

During the course Harnish received instruction in the operation and maintenance of aircraft electronic equipment. He entered the Army in 1961 and was last stationed at Fort Lewis, Wash.

The 23-year-old soldier is a 1960 graduate of Hazel Park High School.

Fire Control Technician Third Class George H. Fleming, USN, son of Mr. and Mrs. George D. Fleming of 1397 LeRoy, participated recently in a large scale fleet training operation in the Western Pacific called "Operation Tall Back" while serving aboard the attack aircraft carrier USS Constellation.

Two task forces, each with an attack aircraft carrier as its hub, opposed each other. The operation was conducted to test and evaluate Seventh Fleet units under realistic operating conditions.

PFC Gordon T. Morey, 24, participated in Exercise Gallant Sword, a week-long German-American field training exercise in Germany.

A clerk in Headquarters Company, Second Battalion, of the division's 32nd Armor near Kirsch Gons, Morey entered the army in August, 1963, and received basic training at Fort Knox, Ky. He is a 1959 graduate of Ferndale High School and attended the University of Louisville.

Morey is the son of Mr. and Mrs. George W. Morey of 1695 West Saratoga. His wife, Nancy, is with him in Germany.

Court of Appeals Course To Tour State in January

Ann Arbor—The establishment of the new Michigan Court of Appeals which begins operations Jan. 1, has brought with it a set of new appellate rules which must be mastered as soon as possible by lawyers practicing in Michigan.

Anticipating the problems that will be felt when the new court hangs out its "open for business" sign, the Institute of Continuing Legal Education of The University of Michigan Law School—Wayne State University Law School and the State Bar of Michigan is presenting a course on Michigan Court of Appeals: Practice and Procedure, Civil and Criminal.

The eight-hour course will be held in three Michigan locations in January and will return to Ann Arbor for a final program in April. The locations are Lansing on Jan. 8, Detroit on Jan. 15, Grand Rapids on Jan. 22, and a second Detroit program to be held in the evenings of Jan. 18, Jan. 25, and Feb. 1.

The course is designed to give lawyers and judges a more thorough understanding of the many changes, both

major and minor, which will be felt throughout the court structure after Jan. 1. The topics to be covered in detail include the "Role, Structure and Organization of the Court of Appeals," "Appeals to the Court of Appeals" including both the jurisdiction of the new court and the mechanics of taking an appeal to the new court.

The ways in which the addition of this new court will effect judicial procedure in Michigan will be discussed under the headings "Appeals to the Circuit Court" and "Appeals to the Supreme Court."

A thorough review of the lawyer's responsibilities to the court including brief writing and oral argument will be discussed under the topic "Appellate Advocacy." Each program will conclude with a "Question and Answer Session."

Speakers at the program will include such judicial authorities as Chief Justice Thomas A. Kavanagh of the Michigan Supreme Court, Professor Jerold H. Israel of the University of Michigan Law

School, Justice Theodore Souris of the Michigan Supreme Court, Jason L. Honigman, of the Detroit firm of Honigman, Miller, Schwartz, and Cohn, and Dean Charles H. King of the Detroit College of Law.

In addition to the eight-hour, comprehensive instruction by these top authorities, each registrant for the course will receive at no additional charge the new handbook "Michigan Appellate Practice and Procedure" by Roger A. Needham, with chapters by Judge Ernest C. Boehm and Jason L. Honigman.

This brand-new, 300-page, library-bound handbook contains over 64 forms and 34 checklists. It is designed to efficiently carry the lawyer step-by-step through the complexities of the appellate process.

Fee for the full eight-hour course including the new appellate handbook is \$25. Make checks payable to the Institute and indicate the course location desired. Mail checks to the Institute of Continuing Legal Education, Hutchins Hall, Ann Arbor.

NLADA Adopts Policy Guides On Economic Opportunity Act

On Dec. 16, the Executive Committee of the National Legal Aid and Defender Association (NLADA) adopted policy guides with respect to the Economic Opportunity Act and recommended that full use be made of existing Legal Aid and Defender facilities for providing legal services for the poor.

"The creation of separate, duplicating agencies to offer legal services under Economic Opportunity programs will be more costly and less effective than will the proper use of existing facilities," the policy guide states and goes on to warn that "serious ethical questions will be raised where non-lawyers attempt to practice law."

Where legal assistance is contemplated, the administrators of anti-poverty programs should early seek the cooperation of the organized bar, particularly of the NLADA, of the Standing Committee on Legal Aid and Indigent Defendants of the American Bar Association, and of the local Legal Aid and Defender agencies.

The policy guide finally recommends that in all instances where the development of new legal assistance units may be necessary, the legal profession, as well as other professional disciplines concerned with helping people, work closely together in each community to imple-

ment the Economic Opportunity Act. NLADA, with headquarters at the American Bar Center in Chicago, is the national coordinating body of local Legal Aid and Defender offices which provide legal services to the poor.

There are 247 Legal Aid agencies (for civil matters) and 140 Defender services (for criminal matters) in the United States today. These are supported from community resources, and their policies are determined by the citizens of their respective areas. Each is tailored to local needs. Last year, they provided nearly 600,000 indigent clients with legal advice and representation.
