To Students -

Below I have listed a few of the items which will be of interest to you as you move to our new Ferndale High School.

John J. Houghton, Principal

SCHOOL DAY

Roll is taken at 8:45 a.m. and dismissal is at 3:22 p.m. This applies to all students except those on the cooperative occupational training program. "Zero hour" begins at 8:00 a.m.

STUDENT PARKING

Student parking permits and assigned parking spaces are issued by the assistant principal to students (a) who live a great distance from school, or (b) whose out-of-school job requires a car. Students must have their cars in their assigned spaces before their classes begin. Under no circumstances may students return to the parking area until the end of the school day.

CAFETERIA

Every student - whether he brings his lunch or buys all or part of it in the cafeteria — must use a tray, returning it to the proper place when lunch is finished.

SMOKING

Smoking on school property is prohibited.

ABSENCES

When a student is going to be absent, a call should be made to the Counselling Center (LIncoln 8-8600) in advance of such absence. Never be absent without notifying the school.

REPORT CARDS & TEACHER CONFERENCES

Report cards are distributed on Wednesday of these weeks of the school year: 8th, 14th, 21st, 28th, 34th, and 40th. To arrange a conference with a teacher call the Principal's Office (LIncoln 8-8600).

COUNSELLING SERVICES

For assistance with any present concerns and problems see your counsellor. Counsellors and teachers also have helpful suggestions on such things as vocations, education beyond high school, and scholarships.

LIBRARY

Our fine library has much information you need for class assignments. Consult with the librarian.

STUDENT COUNCIL

This important leadership organization represents the student point of view in considering many school matters. It is also a most effective school service group.

EXTRA-CURRICULAR ACTIVITIES

There are extra-curricular activities in all departments. Students with interests beyond the subject-matter of the classroom should ask their teachers for more information.

ACCREDITATION

Ever since 1921 our high school has been continuously approved by the North Central Association of Colleges and Secondary Schools. O hour Corruetor E
