TALON

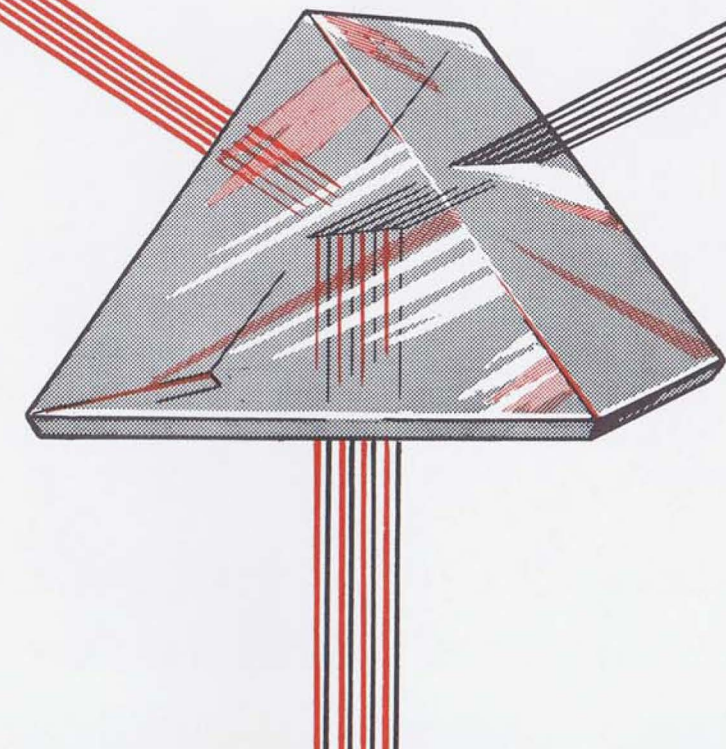

ACADEMICS

Let the soldier be abroad if he will, he can do nothing in this age. There is another personage—a personage less imposing in the eyes of some, perhaps insignificant. The schoolmaster is abroad, and I trust to him, armed with his primer, against the soldier in full military array.

Henry Peter

A professor can never better distinguish himself in his work than by encouraging a clever pupil, for the true discoveries are among them, as comets amongst the stars.

Our Advisor

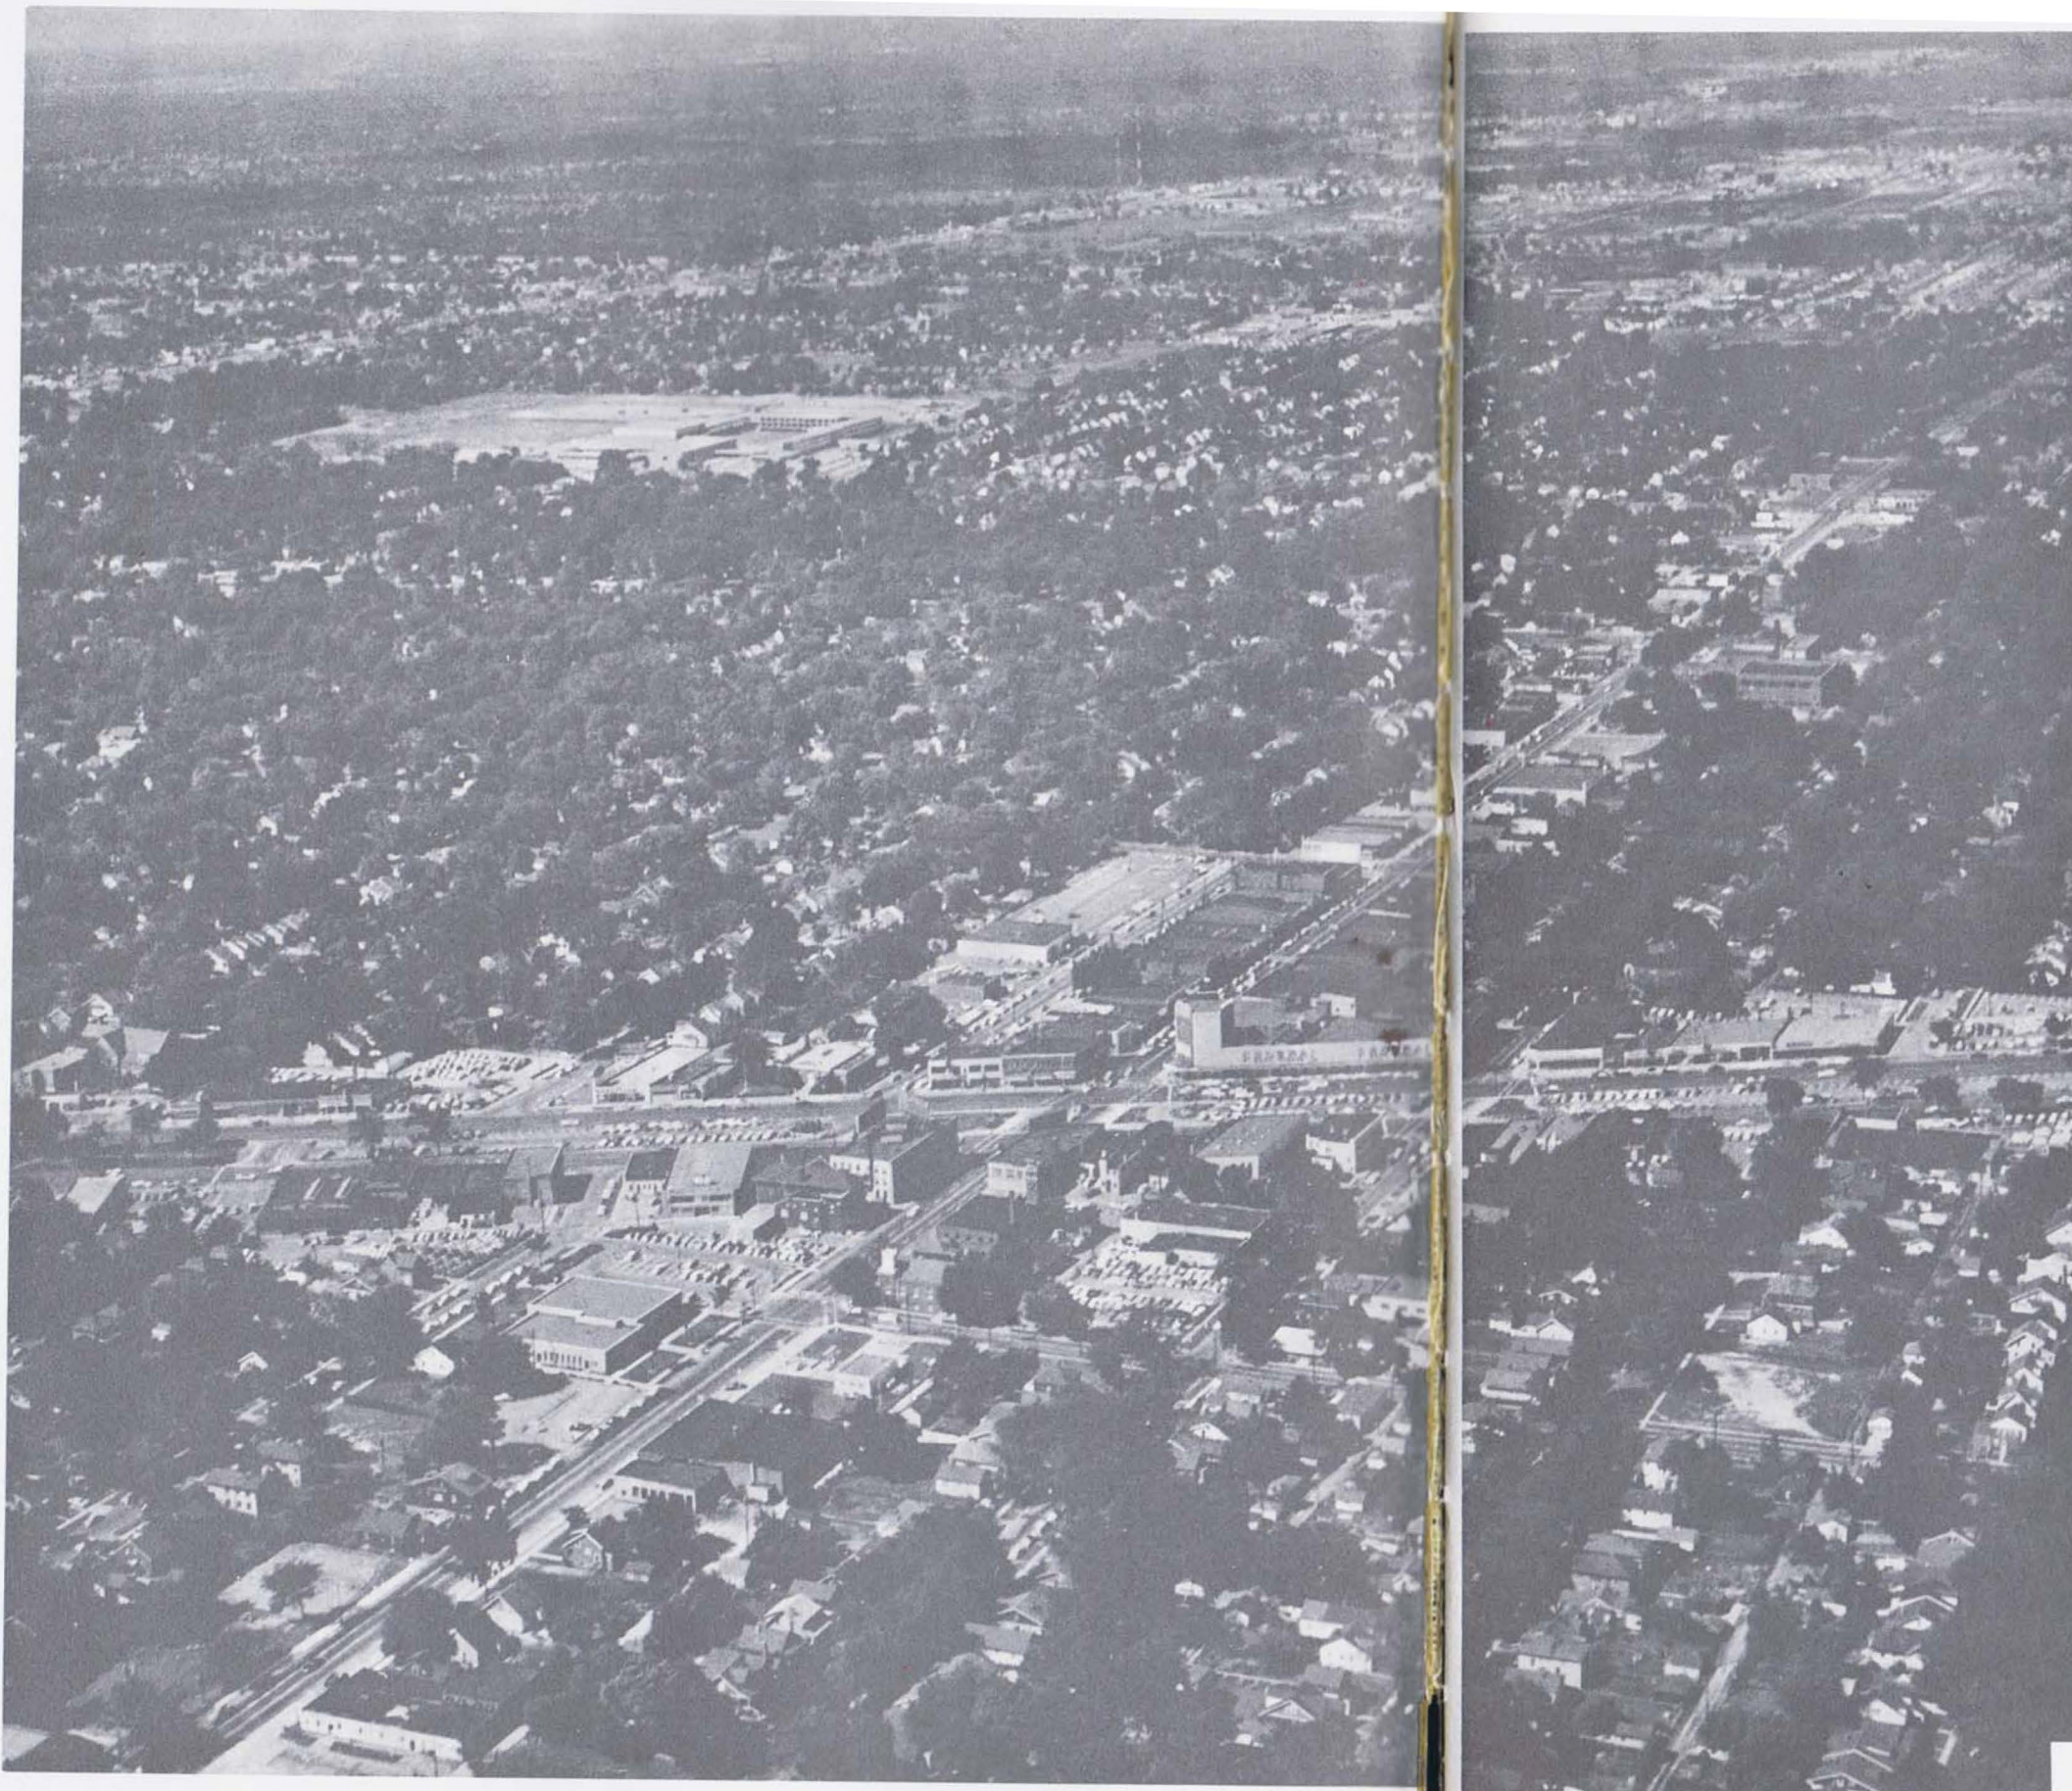

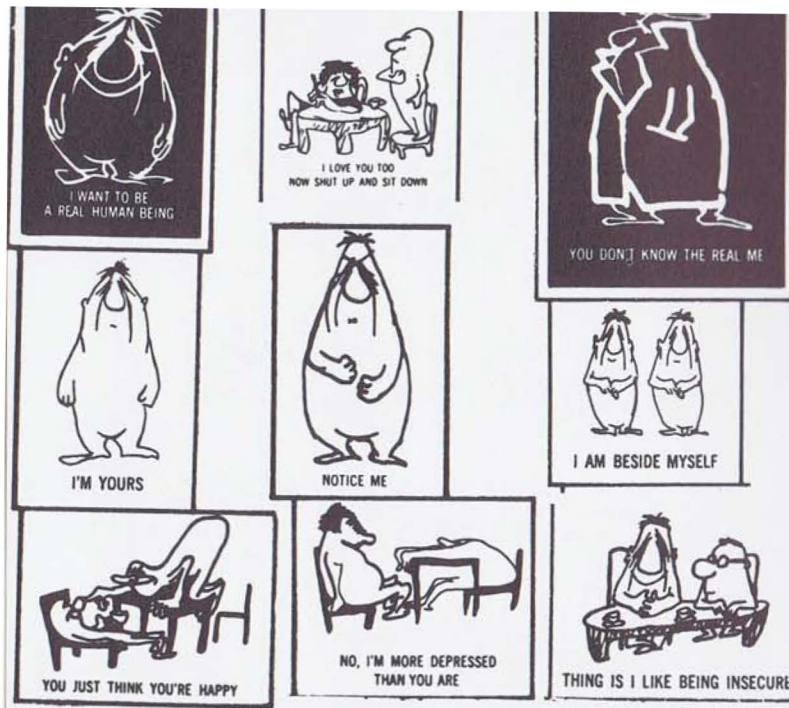

Photo by Brian Westveer

To our advertisers, without whose support this yearbook would have been far from a possibility, we wish to express our heartfelt thanks. Time and again the advertisers' cooperation and backing is displayed, not only in this publication, but throughout our high school enterprises. We find Ferndale's merchants and businessmen buying space in the Eagle, our school newspaper, and lending their merchandise for use in the all school play. This ready willingness to support on the part of the businessmen of Ferndale exemplifies the civic minded and openhanded spirit the community of Ferndale seems to possess.
